Petit Verdot

Red

IGP Pays d'Oc

The Vineyard

This cuvée comes from young vines planted on clay-limestone marl soils in the Minervois, in the Aude. This terroir brings a balance of concentration and freshness to the Petit Verdot.

The Wine

The grapes are hand-harvested at optimal ripeness. Vinification follows a traditional approach: fermentation at 25 °C, followed by a two-week maceration with gentle pump-overs to extract aromas and fine tannins. The wine is then aged in tank to preserve the purest expression of the variety.

Tasting Notes

Deep purple in color, this Petit Verdot opens with peppery notes and bright red fruits such as redcurrant and blackcurrant. The palate is generous and approachable, with supple structure and plenty of fruit. A vibrant, characterful red—perfect with herb-crusted rolled lamb shoulder, spicy tapas, or simply enjoyed with friends over an apéritif. Serve around 16 °C.
